Dear Alan and Diane,

The splendor of another autumn is slowly fading in beautiful New England. We face the task of raking the stubborn oak leaves, pulling the winter coat out of the closet, and preparing for the winter season ahead. The changing seasons remind us of the amazing reality that God is the same --always present in our lives. Our ACMNP Ministry Staff has given testimony to the many ways that God has demonstrated his faithfulness to them while serving in the National Parks last summer. As these Staff Members return to their colleges, universities, or professions, our prayer is that they continue to build on their experiences of leading worship and serving park visitors and coworkers. A stanza of the popular hymn, "How Great Thou Art," says it well:

When through the woods and forest glades I wander
I hear the birds sing sweetly in the trees;
When I look down from lofty mountain grandeur
And hear the brook and feel the gentle breeze;
Then sings my soul, my Savior God to thee
How great thou art! How great thou art!

We have a tremendous opportunity to bring the Gospel of Jesus to the people who live in, work in and visit our National Parks. We are grateful for your trust in helping us toward this goal. Your recent gift in the amount of \$100 will enable us to continue building Christian leaders as they serve God in the National Parks.

Gratefully,

Richard P. Camp, Jr.
Executive Director
